Darien Scout works on Eagle Project at Downers Grove Moose Family Center

A staple of the Downers Grove community since 1930, the Downers Grove Moose Family Center #1535 located at 1030 Warren teams up with Darien Troop #97 for Life Scout Ryan Hawkins to work on his Eagle Scout Project. Ryan contacted the Lodge #1535 to see if there were any projects that needed to be completed.

Ryan Hawkins scheduled an appointment with Jr. Past Governor Roy A. Brown III, Jr. Governor Tom Moran and Administrator Michael R. Pelling and went on a tour of the building. Ryan took notes, asked a lot of questions, and took a few pictures while in the lodge. A few weeks passed and Ryan presented us his ideas for a project. Ryan's proposal was to take our first floor storage and turn it into an organized storage room. The lodge's Board of Officers approved Ryan's proposal and he went to work collecting materials and money to complete the project.

On Saturday, September 28th, Ryan and his team of Scouts and adults arrived at the lodge by 7:00am. By noon, the first floor storage room was completely stripped, a coat of primer paint was put on the walls, and all the unwanted materials were placed in the basement or in a dumpster. By 3:00pm the first coat of paint was on the walls. This was a good start.

On Sunday, September 29th, Ryan and his team arrived at the lodge by 7:00am and went right to work. Ryan managed to have his team work on both cleaning and painting at the same time, and he stayed in total control. Ryan had scouts sweeping, moving, cleaning and hanging things. By 2:00pm, Ryan had completed all the work in his plan.

Ryan's team of 30 plus people spent a total of 200 plus hours working on his Eagle Scout project in our lodge. All materials were donated by friends, scouts, family, and suppliers. There were 21 scouts that helped with the project and 9 adults along with numerous friends and family members. If this project was done as a job and bid for material and labor, it would have cost the lodge \$1500 to \$2000 to complete. The Downers Grove Moose Family Center was privileged to work with Ryan Hawkins on his project to finish this requirement on his way to becoming an Eagle Scout.
